Banking, Insolvency

Education

Haifa University LL.B. (1995)

The Hebrew University of
Jerusalem LL.M. (1999)

Dror Timor is a partner in the Banking and Finance department at Salomon Lipschutz & Co.

Dror's main expertise areas are banking and a wide variety of insolvency proceedings including receiverships, Liquidations, procedures freezing etc.

Dror provides legal services on banking and insolvency related matters, and holds an immense and rich experience in consulting and providing legal services to banks and corporations.

Dror is well versed in the know-how of extracting crucial points from collateral/security documents, litigation in courts (claims against customers of the bank and suits brought against the bank by customers), in the seizing mortgaged assets and in the collection of debts from a wide variety of the bank's debtors.

Dror gained this experience and knowledge by efficaciously representing Bank Leumi Le-Israel BM and the Arab-Israel Bank Ltd in hundreds cases.
