

Whether you are looking to expand, change the way you operate or make the most of your business in an ever changing and dynamic market, the **Mergers & Acquisition** team at Salomon Lipschütz & Co., run by Adv. Almog Doron, is your advisor.

The firm's Mergers & Acquisitions team represents companies from different sectors of the Israeli market as well as international companies, and regularly advises them on mergers, acquisitions or splits.

The guidance provided by the team members starts at the initial phase of preparation and examination of the legal aspects involved in the transaction, through advising managements and boards, conducting negotiations, conducting due diligence, drafting and signing contracts, to post-signing transaction implementation.

Merger and acquisition transactions are among the most complex and complicated. The knowledge and experience gained by the department's team allows them to successfully advise to any transaction, whatever its size, both in the Israeli market and the international arena.

The firm's Mergers & Acquisitions team operates closely with other teams within the firm such as Labor Law, Competition Law, Intellectual Property, Financing, and provides its clients with comprehensive services encompassing all aspects of the transaction, as well as complementary legal advice relating to all aspects of their business operations.
